## *What is a Quiet Garden?*

Quiet gardens are places where people meet together to reflect on topics that are part of the Christian faith. Private and public gardens are used and time is set aside for people to be still and enjoy the peace and beauty of nature. Meetings are open to all and newcomers are always welcome.

## *What happens at a meeting?*

We meet for a 10 am start. Tea, coffee and cakes are available throughout the morning. In the first 20 -25 minutes the leader introduces a theme and then people disperse to wander around the garden or to find a place to sit quietly. We come back together at 12 noon for a closing reflection, prayers and an optional sharing. The meeting finishes around 12.30pm.
